

Together with three important stakeholders we developed regional publicity that reflects some of the values of our region.

Together with **AZ Alma, the only hospital in the Meetjesland**, we created a billboard that reflects **the loving care of our region** and the hospital.
The billboard will be visible in the street scene and will be seen by thousands of people a day.

Together with **Kringwinkel Meetjesland** – organization that collects recycled goods by clients and sell those in a shop – we developed a large billboard that will be visible in their shop. The
